

Arlington Soccer Club Referee Tip Sheet – September, 2009

U8 Games

Size of team on field: 5 v 5

Size of the field: The field of play is one half of a 6v6 field. The goals are located on the touchlines of the 6v6 field, and the midfield line and one goal line of the 6v6 field serve as the touchlines for the U8 field of play. Use the 6v6 goals.

Time: Two 30 minute halves (or four 15 minute quarters if there are few subs and it is a very hot day. This should happen infrequently), 5 minute half time break

Important rules to remember:

In addition to (or in modification of) the regular laws of the game, the following special rules will apply to ASC U8 League games.

1. No Penalty Kicks are awarded at this level. Instead of a PK, an indirect kick will be awarded approximately 10 yards from the goal line (referee's judgment for ball placement).
2. The goal area and penalty area lines aren't marked, so use your best judgment about where to place the ball. For goal kicks, place the ball 10 yards from the goal line. If there is a handball by the defending team in or near the goal, give the attacking team an indirect kick at a reasonable distance from the goal. Remind the player who swatted the ball that they can't do that.
3. All free kicks are INDIRECT and opponents should stand **10 yards** away from the ball
4. BRIEFLY explain infractions to the offending player if they don't understand the call.
5. On goal kicks or on goalkeeper saves followed by a goalie punt, throw or drop kick, the ball must touch the field or a player in the defensive end of the field. If the ball crosses midfield without touching the ground or a player, the opposing team will be awarded an indirect kick at midfield.
6. A pass back to the goalie is not allowed. The goalie is not allowed to use their hands when their teammate makes a throw in to them. If an infraction occurs, there will be a verbal warning to the keeper and player, but play will be allowed to continue. If there are several infractions by the same team and players, an indirect kick will be awarded to the opposing team at least 15 yards from the goal (don't set it up right in front of the goal). It is not expected that you will see pass backs to the keeper at U8.
7. Players are given a second chance on throw-ins: explain what they did wrong the first time, then just let it go if the second one isn't so hot either
8. Off-sides rules do not apply
9. Both teams can sub on any throw-in or goal kick (not on corners)
10. No slide tackles, kids need to stay on their feet. If there is an infraction, the opposing team will be awarded an indirect kick and the referee should explain to the player that they need to stay on their feet. Coaches should also warn the player to stay on their feet. If the player continues to slide tackle have the coach sub the player for one shift and the coach should talk to the player on the sideline.
11. Players should come to mid field for substitutions. Coaches should not assemble their bench at mid field.
12. Parents and players should be on opposite sides of the field. The two teams should be on the same side of the field.
13. All jewelry must be removed. Medical alert bracelets can be taped.
14. All other Laws of the Game apply.

Your role at this level is more like a coach to help the players learn the game and to keep them safe. Don't be afraid to use your whistle to get players' attention. If you find that a particular player is repeatedly being too aggressive, ask the coach to sub him out and give him/her a break.
